UKRI CDT in Artificial Intelligence, Machine Learning and Advanced Computing (AIMLAC)
UKRI CDT in Interactive Artificial Intelligence and
UKRI AI CDT in Practice-Oriented Artificial Intelligence

PRESENT

ARTIFICIAL INTELLIGENCE

CONFERENCE

FOCUS AREAS

- Embedding domain-specific knowledge in AI/ML models
- Physical and mathematical methods for AL/ML development
- Applications of AI/ML to particle physics, astronomy, health and computer science

SESSIONS

- Employability
- AI/ML in Industry
- Responsible AI
- Poster session with prizes

Free
(for CDT Students and Partners)

£50
(others, covers refreshments)

CDT affiliated   Others
